WELCOME TO THE HAROLD PARK HOTEL

Standing proudly in the heart of Glebe since 1888, the Harold Park Hotel has long been part of the neighbourhood's story. Originally known as the Centennial Hotel and later a favourite watering hole for racegoers from the iconic Harold Park Paceway next door, The Harold has always been a place where people come together to celebrate, to debate and to share a laugh. While the trots and greyhounds are now part of history, the spirit of good times lives on.

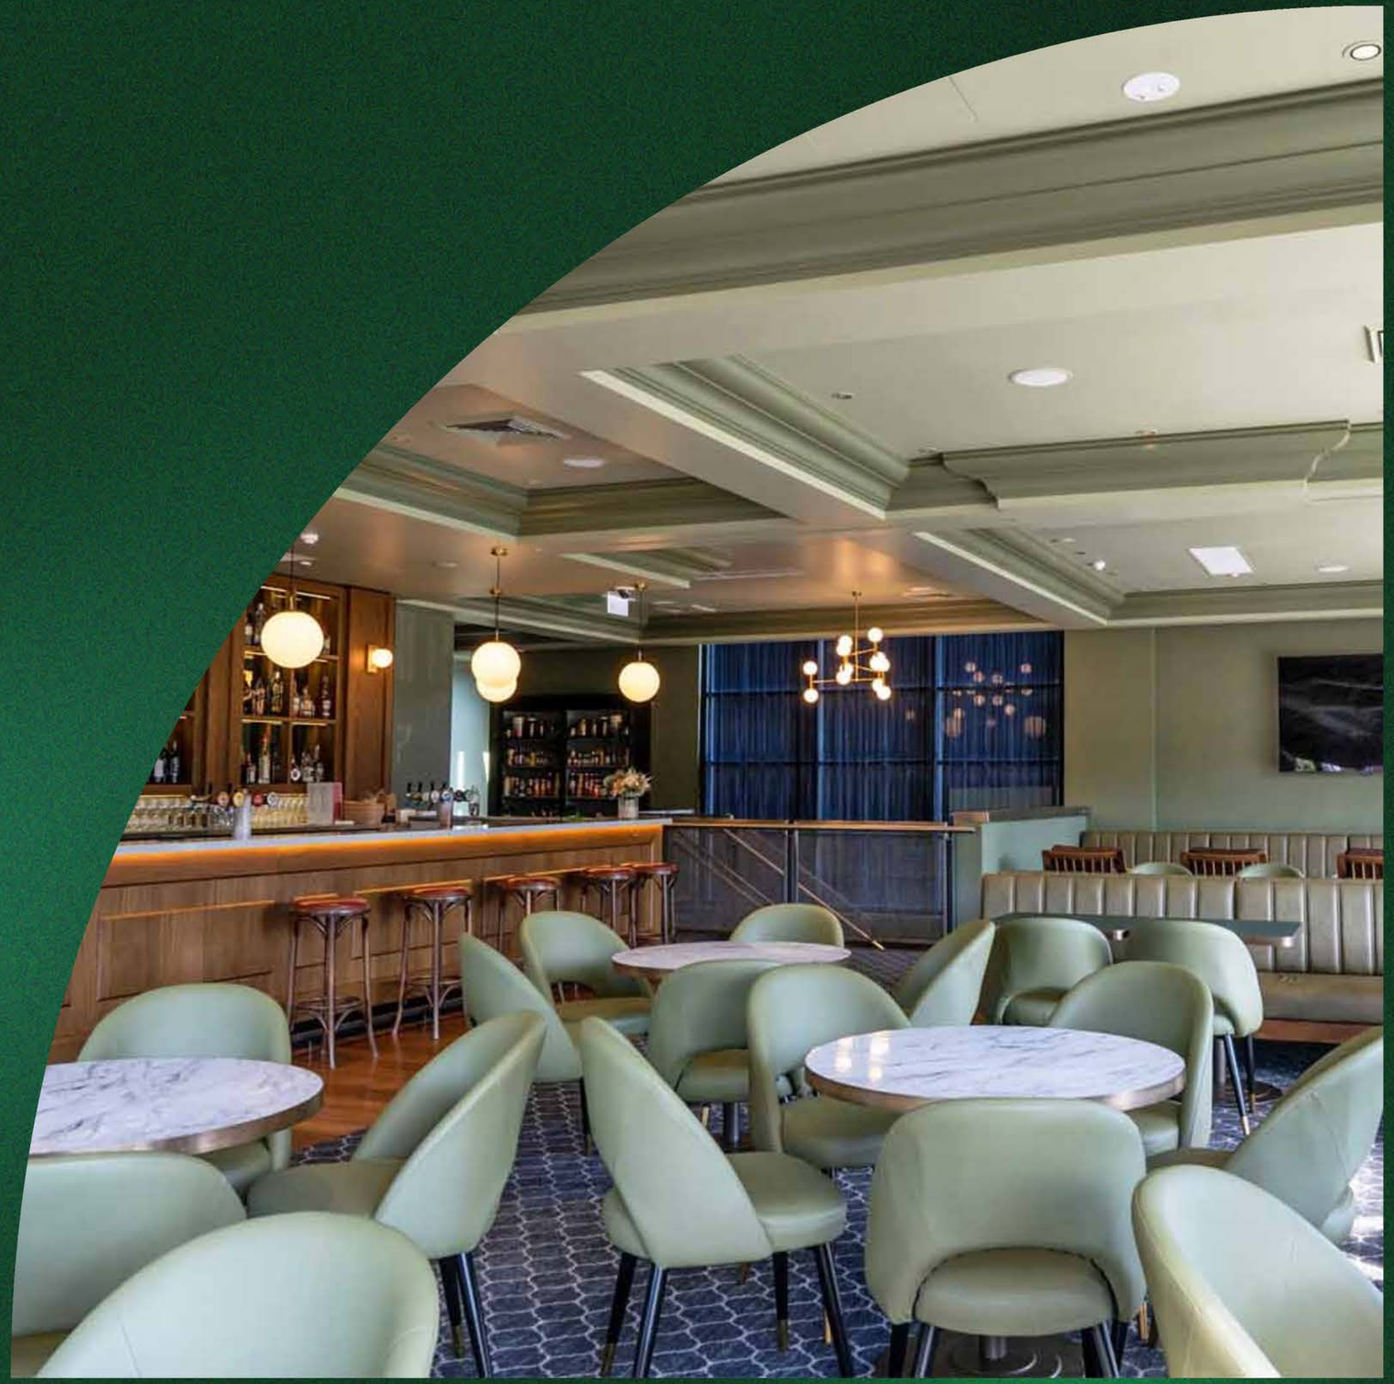

Today, The Harold is your friendly local: a family-welcoming, dog-friendly pub where kids, pups and grown-ups alike feel at home. It's a place where mates gather to cheer on live sport, tackle trivia nights, enjoy weekly specials and mark special event days together. Same great community spirit – just with a few more high-fives, wagging tails and happy plates along the way.
